

Perhaps you would like to keep your mind active whilst earning at the same time? People on a career break are often looking for some form of paid work for themselves, with hours to suit. We are running a Fresh Pair of Eyes service (or sense check service). This is open to anyone who would like a second opinion on, say, a business plan, presentation or article they have written.

The Fresh Pair of Eyes service is essentially a sense check, with some proofreading (though not a qualified proofreading service). If you would like to use your skills and knowledge to be a part of this, please email ronnie@careerbreakpeople.co.uk. If you have a document, publication, business plan or presentation that you would like help with through our Fresh Pair of Eyes service, please email ronnie@careerbreakpeople.co.uk.
